The legacy of support for Catholic education in Norwalk is over 100 years old. What a wonderful legacy it is! As president of Norwalk Catholic School, I am witness to our many successes and see many opportunities as well. I also realize there are many challenges before us. How do we best prepare our students for the jobs of tomorrow? Our vision calls us to maintain our vitality, continue our growth, while maintaining our Catholic identity. There are urgent issues which we must address. Now is the time to focus more clearly on the direction we are headed.

You are special stakeholders in our mission. We want you at the table to learn from your insights and experience. We invite you to attend one brainstorming session in the next few weeks, where you will participate in large and small group sessions to share your ideas and goals that will shape our schools for the future.

Please select one of the four nights that works best in your schedule. We will offer babysitting so those with little ones can attend. All meetings will be at the Early Childhood Center, in Reynolds Hall (the gym) on the St. Mary Campus, 77 State Street. Your options are:

Sunday, October 8	4:00-7:00 p.m. at the Early Childhood Center
Monday, October 9	6:00-9:00 p.m. at the Early Childhood Center
Wednesday, October 11	6:00-9:00 p.m. at the Early Childhood Center
Sunday, October 15	4:00-7:00 p.m. at the Early Childhood Center

We will start with dinner. After dinner, we will review the accomplishments of the past and identify the achievements we want in the next decade. This is a working dinner to discuss the needs of our school and hear your views. We will end the meeting promptly as indicated.

Please return the enclosed card to my office by Monday, October 2nd, or respond to our E-invite (email will be coming soon). We look forward to this important sharing of ideas with you and other members of our school family.

Yours in Christ,

Dennis J. Doughty
President

Our Mission

- Develop Disciples of Christ
- Promote Academic Excellence
- Foster a Respectful Community
