What is Night at the Races?

This is a fun-filled evening that is action-packed with actual horse racing that's been video-taped using five cinematography cameras and narrated from start to finish by many of America's top-rated announcers. These races are sent to us in a sealed container until the night of the event so nobody knows the winners. Dinner is included with the purchase of your ticket.

Are you new to the school and do not know many people? This event would be great for you. Join us and meet parents of your children's friends.

During the evening you have the chance to place a \$2 bet per horse. There are a total of 12 races. You have the opportunity before the event to purchase and name a horse for \$25. (This does not include a ticket to the event.) If your horse wins the race you win \$100. There are only 132 horses available for pre-sale so purchase your horse today.

Purchase your tickets today. There are other exciting things that happen during the race!! Don't miss out!!
